

## **F.A.O. Key Stage Coordinators, Geography/Humanities Subject Leaders, Key Stage 1 and 2 class teachers, NQTs and trainee teachers**

**Do you teach the topic 'invaders/explorers'?**

**Would you like to meet/link up with a real life explorer, scientist or researcher?**

**Would you like to connect with a school within the Arctic Circle?**

**How might you teach about cold environments in a more cross-curricular way?**

**Why not look at teaching and learning from a slightly different perspective, yet still enhance pupils' knowledge and understanding of the continents of Europe and North America?**

**Are you keen to increase pupils' awareness of the rising temperatures and shrinking ice within the Arctic, firm evidence that global warming is really happening?**

Celebrating *Northabout's* official return to Bristol Harbourside following the *Polar Ocean Challenge* led by experienced explorer, Sir David Hempleman-Adams.

If the answer to any of the above questions is 'yes', then why not come along to a highly subsidised (thanks to support from the charity ***Wicked Weather Watch***) **CPD workshop** that is being held from **9.30 am until 12.30 pm** on **Friday 31<sup>st</sup> March 2017** at **Gloucester Farmers' Club, Agricultural House, Greville Close, Sandhurst Road, Gloucester, GL2 9RG?**

The session aims to:

- 'unpick' the **National Curriculum Programme of Study for Geography at Key Stages 1 and 2** and highlight how and where such **teaching and learning** fits in;
- showcase a **scheme of work and accompanying resources**, including many **cross-curricular links**, that have recently been produced in conjunction with ***Wicked Weather Watch*** and the ***Polar Ocean Challenge***;
- give you the opportunity to **network with teachers from other schools** (to **share best practice** and **establish future rapport**);
- provide you with a number of invaluable **web-links and free resources**, plus **time built in to explore these and ask questions/seek advice**.

The cost of the session is **£45.00 per person**, with **refreshments provided upon arrival and throughout the morning**.

**Reservations** can be made by **telephone: 07944 482462** or **e-mail: [emma.espley@gmail.com](mailto:emma.espley@gmail.com)**.

**Early booking is recommended** as **places are limited**. Please apply no later than **Wednesday 15<sup>th</sup> March 2017**.

Free Wi-Fi access will be available. You will find it useful to have a **laptop/tablet** and a **memory stick** to hand for the session.

Please do not hesitate to contact me if you have any additional questions.

I look forward to seeing some familiar faces again, as well as some new ones too.

Regards

Emma Espley
